Under Texas Law

(Chapter 87, Civil Practice and Remedies Code)

An Equine Professional is not liable for any injury to or the death of a Participant in Equine Activities resulting from the Inherent Risks of Equine Activities.

I acknowledge that horseback riding is a dangerous activity and involves numerous obvious and non-obvious inherent risks that may cause serious injury, and in some cases, death because of the unpredictable nature and irrational behavior of horses regardless of their training and past performance. I acknowledge that a horse may, without warning or any apparent cause, buck, fall, stumble, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's feet, push or shove a person; saddles or bridles may loosen or break - all of which may cause the rider to fall or be jolted, resulting in serious injury or death. I certify that myself, and all participants, I choose to give access to my horse are fully capable of participating in this activity and acknowledge that the participant voluntarily assumes the risk and danger of injury or death inherent in the use of the horses. All such equipment and gear should be worn for protection will be provided by owner/rider.

I have read and understand the above warning
